5:30 – 6:00 pm	<p>Welcome (Mt Townsend, Building 8)</p> <p><i>Toni Castro - Vice President of Student Services</i></p> <p>Key Note: "I might fail! I'm so lost! Mom, Dad...Call My Professor!": Communication Tips for Students (and Support Strategies for Parents) to Conquer the Classroom</p> <p><i>Presenter: Ellen Bremen, Communication Studies Instructor and Author</i></p> <p>Students often feel intimidated to deal with professors when issues or confusion occurs. Ignoring the problem and hoping things will work out seems less risky than confronting the situation head-on. Parents may feel helpless when their student struggles in college. Do you resolve the problem? Or let your child tackle it on their own? This session will arm students with the words to say to successfully navigate communication common classroom issues. Parents will learn how to play a supportive role and help (behind-the-scenes!) with challenging professor dynamics. Tips will be immediately usable, even for the first day of class!</p>
6:05 – 7:00 pm	<p>College Success Breakout Sessions for students and family members.</p> <p>Breakout sessions are 25 minutes. See other side for session topics and locations.</p>

College Success Breakout Sessions—choose two to attend

25 minute breakout sessions are all offered at the following times: Session I: 6:05-6:30 pm

Session II: 6:35-7 pm
